Exhibitor Biography: Broken Triangle Ranch. Roger & Dana Meyers. Minton, Sask. Started with Red Angus in 2014 with the purchase of the entire red herd from McNeely Land & Cattle at Wawota, Sask. We continue to build on the very powerful maternal base of the herd by utilizing short gestation Sires. This is highly heritable in both male & female progeny, allowing for even greater calving ease, even when incorporating high growth genetics.

Exhibitor Biography: The Olynys are a 5 generation farming family. Crescent Creek Angus has been in the purebred industry since 1954. Every year since then we have had one goal in mind, quality. Mike along with Irene bought their first Black Angus cows and built what it is today. Now Wes and Kim run the operation along with their kids. Irene is still very much involved with the operation as well as Wade in day to day operations. We will have our 22nd annual bull and female sale April 4th, 2020 at the farm at Goodeve, SK. Along with 220 purebred Black Angus cattle we also grain farm. New for use this year is our commercial heifer sale sponsored by us. It is a unique opportunity to give back to our customers who bought bulls from us, animals must be crescent creek genetics. Sale is December 7th. We try to be at the forefront for genetics and quality of cattle. Stop in anytime for coffee and judge for your self. Crescent Creek Angus, influencing the past, present, and future
