Exhibitor Biography: Red Willow Ranch Ltd. is a purebred and commercial Simmental operation owned and operated by the Tyler family located near Cut Knife, SK. The Tylers have been involved in the Simmental breed for a number of years and strive to raise performance-driven, high-producing, functional, and sound cattle. The annual bull sale is held on-farm the first Monday of March. On offer is a large selection of quality fullblood, red, and black yearling Simmental bulls, along with select purebred and commercial heifers. After a few years off, we are excited to be back at the CWA Bull Pen Alley Show and would like to thank all who make this show happen.

| | | S: RPLUS MANDATE1044J Weight: 1,154 B: Rplus | D: MISS RPLUS 8123F Age in Days: 310 | WPDA: 3.72 | Birth Weight: 0 |

Exhibitor Biography: W2 farms is located 7 miles west of Leroy Saskatchewan. The Williams family grain farm, run a commercial cow calf operation, a feedlot for finishing their own calves and also enjoy breeding purebred Charolais and Simmental cattle. Purebred simmentals have been around W2 for many years, with the first Charolais cow bought in 2018. Using embryo transplant has allowed us to advance our purebred cow herd faster on specific traits and cow families. Over the years we have kept our own bulls for the commercial herd. Seeing how our gentic calve, feed and grade is quiet rewarding. These bulls are just a sample of what is available for sale private treaty this year.

Exhibitor Biography: Blairswest Land & Cattle Ltd is owned and operated by Scott and Calla Blair of Drake Saskatchewan along with our family. It is a mixed farm consisting of about 400 cow calf pairs including commercial and purebred angus. We farm and graze about 7000 acres. Our operation is qualified under the verified beef program. We have been selling F1 replacements for over 30 years and sisters to these bred heifers sell on Dec.12 in Moose Jaw at Johnston's in the Blairs Bred Heifers sale. We have consigned to the Opportunity Knocks 4.0 Purebred angus sale in Lanigan on December 18. The Blairswest Bull sale is March 11, 2024. online with DLMS on Farm Gate Timed Auctions. Be sure to check out our purebred stall in the angus barn and our yards pen in the commercial barn. Visitors are always welcome to the ranch stop by for a tour and say hello.

Exhibitor Biography: Cockburn Red Angus is owned and operated by Ward and Brittany Cockburn and family. Located at Briercrest Sk with summer grazing on the native grasslands south west of Moose Jaw near Old Wives Lake. We run a purebred Red Angus herd consisting of 150 cows, a small herd of purebred Simmentals as well as about 300 commercial Red Angus/ Simmental cattle. We hold our annual Cockburn/ Merit bull sale on the Ranch at Briercrest with our sale partners at Merit Cattle Co. This years sale date is March 25. On offer will be 45 Red Angus, 12 Simmental, and 50 Black Angus yearling bulls. We have built our cowherd around strong cow families, emphasizing on sound feet and legs, hardiness, consistency, longevity and udder quality. Our goal is to produce herdsires that are sound and thrive in the commercial world providing muscle, performance, do-ability as well as calving ease.

|-----|----|---|--|---|---|

Exhibitor Biography: Dual E Cattle Co. is a first generation cattle operation near Foam Lake, SK owned by Eric & Erin Yewsiuk and their children, Bohdan and Hallie. The first Dual E calf crop hit the ground in 2015 out of Eric's original cow herd, that he began building in 2000 with the purchase of Red Crescent Creek Marta 13H. With the current H cows just two months away from having their third calves, it is a humble reminder of how fortunate we are to be able to continue raising quality Red Angus cows over two decades since that first purchase. Our herd has grown a lot in the past eight years under the Dual E prefix, but our goal of raising functional, sound footed and highly maternal cows remains the same. As a result, our cow herd is stronger than ever. Annually, we develop and market a select group of absolute top cut yearling bulls by private treaty with the pen opening for selection and sale every February 15th. New this year, we are pleased to have been invited to join the Touch of Class Sale. We are excited to be offering two of our top end Samaria bred heifers for sale December 9th in Saskatoon.

Exhibitor Biography: Cedarlea Farms is located in the southwest short-grass country near Hodgeville SK. Owned and operated by Garner and Lori Deobald along with their daughter Kylie and son in law Brian Hawkins, they run 275 purebred Charolais females along with versatile ranch, cow horse and reining bred quarter horses. Their breeding program is based on calving ability, growth traits and temperament. Selection tools such as EPDs, ultrasound data and DNA testing are used to enhance the consistency of economically important traits. Cedarlea Farms annual bull sale will be held on March 20, 2024, where approximately 60 yearling Charolais bulls will be on offer. In addition to welcoming visitors anytime they invite all Charolais enthusiasts to join them at the farm in June 29, 2024 for the World Charolais Congress where leading Charolais genetics will be on display.

Exhibitor Biography: W2 farms is located 7 miles west of Leroy Saskatchewan. The Williams family grain farm, run a commercial cow calf operation, a feedlot for finishing their own calves and also enjoy breeding purebred Charolais and Simmental cattle. Purebred simmentals have been around W2 for many years, with the first Charolais cow bought in 2018. Using embryo transplant has allowed us to advance our purebred cow herd faster on specific traits and cow families. Over the years we have kept our own bulls for the commercial herd. Seeing how our genetics calve, feed and grade is quiet rewarding. These bulls are just a sample of what is available for sale private treaty this year
