JUNIOR STEER JACKPOT

CANADIAN WESTERN AGRIBITION

Junior Steer Jackpot Show

2025-11-28 4:30 PM

Judged by: Riley & Maddy Lafrentz, Beinfait, SK

Riley and Madison Lafrentz work alongside Riley's parents at Wheatland Cattle Company near Bienfait, Saskatchewan. The operation consists of 350 Simmental and Angus cows. They also hold an annual bull sale every March selling bulls to seedstock and commercial producers. They have shown cattle across North America and have exhibited numerous National Champions at Brandon Ag Ex, FarmFair International, Canadian Western Agribition and Toronto Royal. Riley graduated from Kansas State University and was a member of the Reserve National Champion Livestock judging Team. He was also awarded a "All American" Livestock judging award which combines academics and judging performance. Since graduation Riley has returned back home to the family operation and has judged at every major show in Canada and throughout the U.S. Madison grew up as the 6th generation on her family's purebred and commercial cattle operation, Compass Ranch. She now has her own graphic design business, Compass Creative, and works with various seedstock producers to promote their programs through catalogues, advertisements, logos and photography.
